

The Charger...October Newsletter

Message From the Principal

September flew by and we had amazing things happening. Your scholars continue to work hard each day and they are learning so much! Fall conferences are right around the corner. This is a great opportunity for you to see what they've been doing and check in with their teacher.

The next time you visit school, take a trip outside. We just had two new swings sets installed! The kids have really been enjoying them. Both the primary and intermediate playgrounds have a new set of four swings framed in by bark chips. It has been so fun watching all the students enjoy them.

We had a wonderful turnout for our fall Bingo event. We made \$1261.42! Thank you to everyone who donated your time, money, prizes and attended. Everyone had a great time! This year our fundraising efforts are going towards a new playground for our Kindergartners. We are so appreciative of all of you wonderful Charger families.

I hope you all have a restful fall break!

Azure Sullivan

TOA Talk with Mr. Alexander

What an amazing start to our school year! We are all making friends and enjoying our experiences together! I want to remind everyone of the importance of having a safe bus ride. Bus drivers need to be able to watch the road while they are driving and keeping all bus riders safe is our first priority. Students are expected to sit with their feet forward and out of the aisle while the bus is in motion. All students are to stay seated during their entire bus ride. Please talk to your student about the importance of bus safety. We appreciate you all being respectful riders for your driver.
